CONFIRMATION

With my signature I confirm my participation in the Zillertal Bike Challenge 2018 (ZBC) and receipt of the transponder. I am aware that Mountainbike racing is associated with dangers and challenges, and I am taking part in this race at my own risk and my own peril.

Moreover, I am also aware that the ZBC takes place on public highways and NOT on roads which have been closed off, and that because of this I am aware that I must at all times take account of traffic and oncoming vehicles, that Österreichische Straßenverkehrsordnung (StVO), the Austrian national traffic regulations apply and that the instructions of race personnel, the police and fire service are to be followed at all times.

I must comply with the Austrian traffic regulations of 1960. In particular, I must not endanger, impede or stop other traffic, and I may use only the outermost right-hand side of the road, with no exceptions whatsoever.

If I breach the traffic regulations, I must count on being disqualified. If I fail to comply with the traffic regulations, I must count on being reported to the authorities.

Violations of traffic regulations by participants and/or accompanying vehicles will be strictly punished. Race participants who do not comply with the traffic regulations will be pulled out of the race.

I have read, understood and accepted the regulations. In case of withdrawal, failure to start, or cancellation of the event by act of nature, there can be no recourse to a race fee refund.

I have completed this form truthfully and in full.

RULES OF CONDUCT:

Endangering other participants is forbidden. The organiser is authorised to exclude from the event any participants who endanger others by undisciplined behaviour. The wearing of crash-helmets is compulsory during the entire race. The event organiser is not liable for accidents, lost clothing or other items.

DECLARATION OF AGREEMENT:

I declare myself in agreement with publication of my name if winner of a stage or overall winner. I also declare that I shall have no further entitlement in relation to photos, films or interviews made, or conducted, in the context of the event, and which will be used to report on the event or publicise the event by means of any media, including online. Further to this I declare my agreement to my data referred to above being used for advertising purposes; I can withdraw this agreement at any time
