TUX-FINKENBERG HOLIDAY REGION

Panoramaterrasse am Hintertuxer Gletscher (panorama terrace):

| | |
|---------------------|---|
| Description: | The Panorama Terrace on the Hintertux Glacier is located at an impressive 3,250 metres above sea level and is easily accessible for both able and disabled persons. From the base station in Hintertux, visitors glide up to the fascinating mountains of Zillertal in comfortable gondolas from the base station in Hintertux. This means that trips to the glacier are no problem at all for those using buggies or wheelchairs, forming an unforgettable experience for those who are rarely able to reach such impressive heights. The ascent alone with the Gletscherbus 3 lifts, the highest double cable, cable car, is an experience in itself! |
| Special feature: | The highest point in the Zillertal Alps with lift access can be found on the spacious observation deck at the top station of the lifts. This where you will literally enjoy a bird's eye view of everything! |
| Opening times: | all year round according to the opening hours of the Hintertuxer Gletscherbahn (cable car) |
| Pricing: | free of charge Uphill and downhill from 8 a.m.: adults € 42.50, children (from 2007 - 2012) € 26.50 from 11.45 a.m.: adults € 35.50, children (10 years and older) € 21.00 |
| Best time to visit: | all year round |

Teufelsbrücke, Finkenberg (wooden bridge):

| | |
|---------------------|--|
| Description: | The Teufelsbrücke (Devil's Bridge) in Finkenberg at the entry to the Tux Valley originates from the year 1876 and like the Hochsteg Bridge over the Zembach river, which was also built in the 19th century, is a rare example of old Tyrolean wooden construction techniques. The superb wooden bridge spans the deep cutting of the Tux Gorge and is situated 70 m above the foaming and rushing waters of the wild Tux valley stream. |
| Special feature: | The legendary bridge was named after an age-old folk story. |
| Visits: | The bridge can only generally be seen from the outside. |
| Best time to visit: | Summer |
