The Billabong presents: Zillertal Valley Ralley hosted by Ride Snowboards is four weekends filled with world-class snowboard fun for everyone. The program includes everything from free freestyle coaching for all age groups to an open snowboard slopestyle contest for all men, women and kids.

Along with that, Ride Snowboards will have their latest boards and bindings to demo for free and a fun Limbo/High-ollie session at all tourstops. The highly coveted Billabong Best Trick award will be up for grabs at all events and the winner can look forward to a complete Billabong Outerwear kit. The contest winners will be awarded with great applause, glory and the infamous sthetiker medals that will be given out by the president Steve Gruber himself. In all categories, the podium winners will take home prize money and tons of goodies.

Every contest result will give valuable points in the overall Valley Ralley ranking. The overall tour winners will be crowned at the last tour stop up on Hintertux Glacier as the new Royal Zillertal Valley Ralley family 2018. On top of all this, riders will gather points in the World Snowboard Tour Ranking. Once again, the Valley Ralley will be a part of the N.ASA Austriacups. The third contest in Mayrhofen will also count as a tourstop for the Super Grom Tour Tyrol by the N.ASA.
