

Zillertal Arena

Can you trek from Tyrol to Salzburg by ski or snowboard? This is possible in the Zillertal Arena, the interconnected skiing area that features 4 cross-regional mountains! The largest skiing area in the Zillertal and the Pinzgau region guarantees absolute family fun on and off the slopes. Whether in the snow & action parks, on the ski movie & speed check courses or during a ride with the Arena Coaster - the Zillertal Arena is a holiday paradise for everyone! The yellow "FUNty", the Arena mascot, is already waiting on guests! The little ones can carve their first turns in the snow with him, and then the whole family can race down the longest toboggan run in the Zillertal. Numerous first-class ski huts will pamper everyone afterwards with culinary delicacies for fortification. Après-ski fans also get their full money's worth at the many restaurants in the skiing area or at the bottom stations. Snow fun is guaranteed!

FACTS:

ZILLERTAL ARENA

Total length of downhill runs: 143 km

Total capacity: 87.700 Pers./h

Ski slope area: 416 ha

Lift facilities: 52

Lift facilities including Wildkogel: 71

Ski area highlights

Ski movie & speed check courses

Have you always wanted to be a movie star, "speed queen" or "speed king" for a single day? Then let yourself be filmed with perfect turns on the total of four ski movie courses and test whether you are faster than the wind on the four speed check courses!

Facebook gondola & photo points

Get in the gondola, take a snapshot with the installed camera and immediately share the holiday memory with friends on Facebook! The "skiline" photo points in Zell (Arena Stadl), Gerlos (Arena Center), Königsleiten (top station Dorfbahn) and Hochkrimml (Plattenkogel-X-Press II) make "panorama posing" possible. Slope fans can take a souvenir photo with larger than life-sized FUNty here!

Arena snow parks

In addition to other highlights, a spectacular bag jump and a snake run with many steep curves and jumps are waiting at the Action Park Kreuzwiese. The Gerlos snow park offers an unparalleled freestyle paradise for free-skiers and snowboarders - including a "chill area". In Hochkrimml there is a small fun park that is particularly suitable for children.

Arena Champions

Everyone who **completes 6 of 12 Arena Champions stations** (4 SkiMovie runs, 4 Speed Check runs and 4 Photopoints) which are found throughout the skiing area automatically receives the Champions Book

7 km Gerlosstein toboggan run

The longest toboggan run in the Zillertal features sporty and sociable fun for everyone. After a comfortable ascent with the Gerlosstein lift (ascent possible until 9.15 pm), the tobogganing fun starts at an altitude of 1,650 metres. The course is 7 km long and illuminated until 1 o'clock in the morning. This also makes it possible to make a cosy stop for refreshments in one of the rustic taverns along the route.

Zell-Gerlos

Arena Tour Zillertal Arena

This tour is all about fun and action, offering a great experience for the whole family. And if you want to test your fitness, you can grab your chance on Austria's longest valley run.

Zell-Gerlos

WLAN

Update your Facebook status, send photos and holiday greetings straight from the slopes " no problem thanks to the new WiFi hotspots!

Zell-Gerlos

NEW: Dorfbahn Gerlos

Within easy walking distance for the approx. 2,000 guests staying in accommodation in the vicinity, it not only guarantees maximum comfort for winter sport fans but, in addition, it will result in a massive reduction in traffic in Gerlos " both in the form of ski buses and private cars.
